

The Portfolio Map

Designing a Portfolio Life

Name the anchor first — the strand that takes most of your week. Then add satellites. Each one must finish the sentence “this is here because it gives me ____.”

My anchor strand 2–3 days; carries most of the income or meaning

Satellite 1 — gives me...

Satellite 2 — gives me...

Satellite 3 — gives me...

Laid onto a real week where does each strand actually sit? leave white space in
